Using Genealogical Library Databases

Ancestry Plus (library use only)

Find census, birth, marriage and death records, historical stories, photos, maps and selected immigration and naturalization records. The U.S. Immigration Collection has passenger lists. Many vital records from Italy are in the database, but are not indexed.

HeritageQuest (library use and remote access)

Similar to Ancestry, but this database can be accessed via your home computer.

FamilySearch

Familysearch.org

Register for your own free account. Morris County Library is a FamilySearch affiliate. If you use the database at the library, you will be able to see more full text records. Many vital records from Italy are in the database, but not all are indexed. Look for records by geographic area.
