

LIBRARIES-BY-MAIL ENROLLMENT

Dear Library User,

Libraries by Mail is a free service for residents of Morris County who are home-bound, disabled, or lack transportation to get to the library.

To enroll in the program, fill out the application (below) and return it to us in the enclosed envelope.

On the application, please:

- Circle the type of material you wish to receive - books (large print, regular print or audio books), cassette tapes, CDs, videos or DVDs.
- Circle your subject interests and list your favorite authors, performers, etc.
- Include your library card number. If you do not have a library card and can not get to your town library, we will obtain one for you.

When we receive your application, I will call you to verify your selections and then we will begin to send material to you.

Sincerely,

Mitch Greenberg
